# "Oneness of God"

Ans = The basis of Islam is faith and belief in one God Allah.

It is a belief - in the Almighty Creator and God of Adam, Abraham, Buddha, Moses, Jesus, and Muhammad.  
(May peace be upon them).  
Creator and God of all other prophets and saints of all men, of all women and children.

This one God is the only Creator and King of the universe, Zulus, Galaxies, Milky Way, Solar system, all other planets and this humble world.  
Creator of the Sun, Moon, Star and sky.

Allah is the only creator  
of all creatures, large and  
small. Microbes, fish and  
other marine creatures,  
insects, birds, and animal.

Creator of Mountains  
forests Trees, forests plants

This is God - Allah the  
Almighty and the most high  
to whom we should  
all believe, place our  
trust, serve and ask  
for the fulfillment of all  
our needs.

# "Risalat Finality of Prophethood"

The holy Quran and the Ahadith (teachings) of the holy prophet clearly prove that the prophethood (nabuwat and risalat) ended with our prophet Muhammad ~~PBUH~~ (PBUH). There are deciding verses on that.

To be the last prophet in a series of prophecies, no one will ever follow him in that state of dignity.

"Muhammad is not the father of you men, but (he) is the messenger of Allah, and the seal of the prophets; and Allah has full knowledge of all things."
